“ *Samantha whom I loved dearly, was more like my other big sister rather than my first cousin, we were family and always close. I could always count on her. I will miss her more than I can imagine. To know her was to love her. She truly loved her girls and her grandchildren , so know that, she loved you all very much. I know this better than anyone, You are with the rest of our family now. Ann I love you and will truly miss you. Cousin Betty*
