“ Beloved Brenda and family, Sammie and I are first cousins and he would call me in the month of August to remind me that we shared a birthday month and that I was a year older than him. He was always kind cheerful and ready to talk about his family. He and his sister Annie, shared a fondness for family history that was always a revelation to me. I will miss his cheerful calls, but I know he is very near in the “Light of and always Present. To the family “PEACE”, Thy will be done in Heaven, (home) our home forever.

“ I have many memories of my Father. He was The Epitome of a Man. Hardworking, dedicated, intelligent and intentional. My Father could light up a room with his presence. You were guaranteed to leave with a smile and good joke in your back pocket! I will truly miss our long rides, talks, laughs and hugs. He wouldn't want me to be somber so I replay countless funny moments to cry with laughter instead. My Father earned this eternal rest. He is living thru me therefore I don't feel empty but relieved. He is Free. I praise God for his Life & Legacy.

“ Heavenly Father, I lift up my sister Brenda and her children In prayer, please surround them with Your loving arms and grant them Your peace that surpasses all understanding. Comfort them with Your presence, heal their broken hearts, and give them the strength and hope to face each new day. May they find solace in their precious memories and the assurance of Your love, and may they feel Your presence guiding them through this difficult time. Amen." Love Juliette
