“ Sam, was a cool, fun and great example of family & friends. I have a lot of great memories that include Sam, as my friend, & coach.

“ Fam: He coached my sister, Rita, in basketball. He talked trash to us younger guys to make us better and stronger at the gym. And, once we grew taller than him, he would try that spin move with a quick release jump shot. Sam was one of the first guys I knew to get his shot blocked, call a foul, take the ball to the out of bounds line and say, come on let's play, without ever being touched by any opponent. He was a cool dude!

“ Sam was a good kid who enjoyed playing basketball at Grandale and he grew up to become a good man. Gone much too soon! I am sure he is swapping stories with Pat right now.
