“ My grandbaby Savannah, I love and miss seeing your pretty little face with those fat little jaws my sac of potatoes as I always referred to you as when I talked to your mommy when I asked about you things will never be the same I just wish you could've stayed with us longer but god apparently had other plans that noone was ready for but I'm so heartbroken because this was so unexpected I wish I could hold you play with you and continue to watch you grow just like mommy and daddy but I will see you again it's never ever goodbye it's see you later because I know I will one day loved and missed by your Big Momma
