“ *Sean, my volleyball brother, the news of your death really shocked and saddened me and my children. My heart goes out to your family. I am praying for their strength at this time of loss. I am going to miss the competition you brought to the game of volleyball. I knew whenever you entered the gym that everyone's game level would be raised and that we were going to have some good games. I am going to miss your trash talking. I have so many funny memories of you. One that makes me laugh is how you would blurt out "OH MY GOD" when someone made a mistake(like you never made them) and I would tell you to "leave God out of this". Or the way you and Charlie would greet each other on the court. I have a lot of good funny memories of you Sean. Every time I walk out on that court you will be in my heart. You are loved and will be missed.*

Much Love Donna
