“ *It was a blessing to interview Sean and bring him into the State of Michigan many years ago. Sean thank you for sharing your passion and service to others. So saddened by this!*

To Mother Shirley, you and your family are in my prayers. Sean lived to serve and helped so many people improve their lives. May the God of all comfort shower you with love and peace during this season.

“ Sean was a long-time member of SEMCA’s Workforce Development Board representing Veterans Employment Services agency within the Michigan Department of Labor and Economic Opportunity. Sean was a strong advocate for veterans and deeply committed to his work on their behalf. He was a great guy and it was a pleasure to work with him. We will miss Sean!

“ Pictures of my dad with his dad 🙏

I love you dad and I miss you. You were one of the most important people in my life and had one of the biggest impacts on how i carry myself to this day. I wouldn't be the person you see today without him. Despite the tears I am grateful for everything you I have done for me

“ Peace be with your spirit and with your family, Sean. I will miss our Soldier vs. Marine banter we always had in good fun. As much a part of our State organization, you were also well integrated with our partners in providing premier services to our Veterans. Your watch is over now. Rest easy Marine in eternal peace in the Lord's kingdom. Semper Fidelis et Semper Idem.

“ Sean, I am so sadden and in disbelief. Your mom and I have been very good friends for such a long time and you are/were her everything! Thanks for the nice quotes, messages that you sent me and how you stayed in touch with me even after I moved back to Alabama. Rest in Peace! I will do all I can to keep your mom happy. I wish I could be there with her now but as you know my health is not the best. Please believe me when I say I will be there through my prayers . Thanks for all of your love for your mom and all of her friends. God has a Good One! RIP - Annie P. Green

“ Good evening,

Sean was family to us. He was the best friend of our late uncle who was affectionately known as Humpy or Hump. He had a heart made of gold. Recently, he visited our grandmother who is ill. He told her that he would return. God had other plans but they will meet in eternity. We are praying for your family.

With Love,
The Whitfield family

“ *Sean, I know the pain you were in daily could be unbearable at times, and you kept your faith and strength through it all, even when I needed a kind word, an encouraging quote, or cute emojis. You unselfishly cared for the people around you. A sweet man you were and are for the spirit lives on.*

Thank you for being a loving presence in my life.
