“ *I have many memories of aunt Senia. Memories of her visits, our trips to the Beach. Memories of trips to Clinton. Memories of our Birthdays in March and most recently my last trip to Detroit to surprise her for her 90th Birthday. I was lucky enough to capture her on video dancing at her party. I will treasure all of my memories and times we shared. The recipes she taught me (baked beans and fried corn especially) and the talks and love we shared. You will be missed but I know you are watching over me and I will see you again. Rest In Heaven my Angel. Praying for the family and all that loved her.*

“ My Godmother, Senia is truly missed. I have Great memories of her and the times we shared. Sorry I can't attend due to having to fly during the Covid-19. I am there in spirit. I will always remember giving her, her 90th Birthday Party. God knows best and he makes no mistakes and his will has to be done.

“ *Senia will be missed. I will always remember her smile. She and Daddy Ben, as my sister, Patricia and my niece, Braggnetta affectionately called him were always very kind to my family. May Senia's family find peace and comfort in their memories.*

“ *May God comfort the family during this time of great loss. There is a sense of helplessness when someone we love dies. Many wonder how one gets through this time? Take time to reflect on the good times you shared with your love one. Prayers are extremely valuable at this time. Thinking of you all.*
