“ *Emano and the family of Senithia Brown,*

*King David will not be the same without Senithia. Her vibrant small, warm hugs and kisses and powerful testimonies were awesome. She was always spreading the Word, sharing with others and bringing so many family and friends to learn more about Christ. She will be missed.*

*You are in my thoughts and prayers that God will continue to strength, encourage and comfort you during this time. God will never leave or forsake you.*

“ I still can't believe that Senithia is gone. She was a bundle of love, energy, giving and all around good person wrapped in a little 4 foot body. I'll remember her love for Betty Boop, her love for her family and friends and most importantly her love for the Lord. Hold on to the precious memories of this wonderful person.

Love,

“ May you find peace during this difficult time as you reflect on how caring our heavenly father is towards those who mourn as well as the hope he extends to all. (Rev 21:4) I am so very sorry for your loss.

“ I am very sorry to hear about your loss of Senithia. God promises at Isaiah 25:8 that one day he will swallow up death and wipe the tears from our eyes. I hope the love and support you receive from family and friends will help you during this difficult time.

Cynthia, I know at this time you and your family are mourning a lost, of a family member that was very dear to your hearts. I offer my prayer and knowing that in time your hearts will be lighter as time goes on. Think of all the good times and fun time you all have had through out the years. So let the tears you shed be tears of joy she is no longer suffering and is at peace.
