“ To the family of Sewilla,
I was so sorry to hear of your loss. I met Sewilla in 2006 and she has been a blessing to know ever since. Sewilla was a supermom and I always admired her for having the sweetest demeanor and a smile that lights up a room. She was an awesome cook and a good friend. Although I haven't talked to her as much since I moved out of state but that doesn't diminish that fact that I considered her my friend. I am praying for you all.
