“ *Sending condolences to the Butler family. I had the pleasure of being Shacarra Respiratory Therapist. Although, it was hard to see such a young person going through I appreciated the smiles I received. I love talking to her mother Rachel and the gratefulness she showed me.
I know you and the family hurt but memories will always remain.
Love you Rachel.

“ *I think I first met Shacarra at a bowling alley. Ralph and LaRance went bowling several times a month. Whenever I tagged along, Shacarra was there. She was a nice girl, and was always kind and polite. It is my hope that I will see her again in the paradise Earth.
To the family, you are in my prayers.*

“ *I only knew Shacarra for a short while, but her loving demeanor was infectious. She was so kind and she will be missed. Looking forward to seeing you again in Paradise. I am praying for the family to have comfort & strength at this very sad time.*
