

## Mrs. Shaquita Monique Gardner-Brown

May 28, 1981 - May 11, 2024

In loving memory of Shaquita Monique-Gardner Brown, whose journey began on May 28, 1981, and whose sunset came too soon on May 11, 2024.

Shaquita was a graduate of Michigan State University where she earned degrees in Criminal Justice and Psychology. Shaquita was preparing to embark on her second career act in a new chapter of her life as an advocate to women and young girls in hospitals and the criminal justice system. She was dedicated to ensuring that all women were cared for and treated justly. Shaquita loved to attend festivals and cultural events that exposed her family to new and diverse things. She loved to entertain and had a genuine love for helping people.

She is survived by her beloved husband, Adre Brown, and their cherished children Darius Skinner, Maya Brown, Kay Brown, Inia Snowden, Langston Brown, Kennedy Mckim, and Ellington Brown.

Shaquita leaves behind a legacy that extends beyond her immediate family, including her parents, William and Star Gardner, her brother, Jonathan, and her sister, Alexis. She will be truly missed by her nephews Terry Willis and Tristian Willis, and her niece Brooke Gardner, a host of aunts and uncles who loved her dearly and a great friend group, Carmeilah, Michelle, Shatarsha, and Shedreka.

Shaquita's infectious smile touched the hearts of everyone she met and worked with. She was known for her unwavering support of others and being the life of every room, she stepped in.

Shaquita radiated life and love, and her wish was for all who knew her to hold their heads high, smile, and spread positivity to brighten someone else's day. Shaquita Monique-Gardner Brown's light will continue to shine through the countless lives she touched, and her spirit will live on in the hearts of those who were fortunate enough to know her. May her memory be a blessing and may we all honor her by carrying on her legacy of love, compassion, and kindness for others.

“*Cousin, We'd just promised to talk more, thinking we had MORE time. Yet, here we are and I no longer have the privilege of hearing you speak. I now selfishly can only vent to you and know that you are listening in the ether. You've joined our ancestors and our family has gained another to guide us, but will we listen? Your immediate family, especially your children, will feel your absence most deeply, but we all mourn together, feeling the weight of your loss. Shaquita was so young, and we all thought we had more time. Let's honor her memory and cherish the moments we had with her.*
