“ I had the honor of working with Sharmaine at the City of Detroit's DOT and again at the Water Department. Sharmaine was a good worker who would always ask if there was something she could do to help me. Sharmaine was blessed with a sweet and kind soul. To the family; be proud of the woman she was and may God comfort you during this difficult time and beyond.

“ Ms. Myers was a strong young lady and my patient in therapy. She worked hard on the rehab unit to get better and was willing to do more than her share even offering to wash clothes for the other patients just so she could practice getting back home and doing things for her children. I was off sick when this tragedy occurred. My co-workers waited until I returned to tell me the news all I remember was screaming NOOO!! I wish the family, children and especially her very supportive mom my deepest condolences!!
