“ Speaking for the many relatives of Sharon and remembering her visits to Western New York, we all were deeply saddened to learn of her death. We cherish the many memories she created during her visits.

We pray that all her family and friends will take consolation in the ransom sacrifice of Jesus Christ. Matthew 20:28, “Even as the Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many.”

*Please accept our condolences,
Uncle Ronald and aunt Verbie Coleman and our children, cousins Terrence and Veronica.*

“ Such a "Beautiful Flower" has been picked from earth and returned
to God's "Garden of Life" to bloom eternally. Many enjoyed her
presence and feel blessed to have been around the love, care, and
concern that she exuded. May all of Sharon's family and friends be
ever comforted in God's Peace and Love. We Will Truly Miss Her!

“ *Well my friend God has you safely in His arms. One of my favorite memories of hanging out with you (back in the day.) When G,M, Proving ground had a costume party, and you and I dressed up as The rock Band Kiss, lol. Needless to say We won first place for original costume! I'll always remember how we both love vintage Jazz, and what great times you use to have just hanging out. You're already missed so sorely. The struggle for you is no longer real, Love always My Friend. Family my Prayer is the you'll receive God's Spirit of strength, peace, love and comfort in this season, In Jesus Mighty name, Amen*

It's so difficult in times like this to understand how someone so vibrant and full of life could be gone in a blink. So many plans, but God had a greater plan. I am comforted by the fact that you had a relationship with God. Only hello no goodbyes. You left quite an impression. We will remember your inner and outer beauty, your quick wit. You trying to encourage woman to accept their place and still be ladies. Your southern roots. Your cooking and desserts!!!! A life lived a legacy left. May God embrace your babies. Help them find love, comfort and understanding today and always. May God bless and embrace your family and grant them peace and serenity. Thank God for allowing us these moments we are all better for having you in our lives.

“ I'm still having a hard time dealing with Sharon being gone. We had just talked about our 40 year reunion that she was looking forward to attending this year. I thought I was special until I read how she sent greetings and messages to many of her friends and associates. She brightened up many people's day with these acts of kindness, so I still feel special. I have known her for 45 plus years, and one thing that I admired about her was that she always stayed true to herself and faced life with a smile on her face. The second thing I will miss is her wonderful baking! She made me the best carmel cake, that I am still trying to lose the calories for! Lastly, she had the best sense of humor and I was guaranteed to be laughing til I cried everytime I was around her. Rest in Peace Ms. Sharon....you will be missed. Pontiac Central Class of '77
