“ I met you when I first brought Autumn to you so that I could go to work. I thought that it would be strictly business. But you write me down, LOL! It was the food!! We use to joke about Autumn being your fourth daughter and I was just the surrogate. But deep down it was true!! My daughter was always protected, care for, loved, and of course spoiled rotten by you. You were truly a light for my family and ultimately became a surrogate mother to all of us. Thank you for being YOU!!! You were a light, mentor, listening ears and so much more. You will forever be missed!  
Love Jessica, Autumn, Malika, Anony and Courtney!

“ Our thoughts and prayers are with the family.  
Continue to rely on God and know that he hears your prayers, because he cares for you. Truly sorry for your loss.

“ For my Mommie  
We little knew that morning that God was going to call your name .  
In life we loved you dearly , in death we do the same . It broke our hearts to lose you , you did not go alone for parts of us went with you , the day God call you home you left us peaceful memories.  
Your love is still our guide ,and though we cannot see you ,you are always at our side . The chain is broken and nothing seems the same but as God call us one by one **THE CHAIN YOU BUILT WILL LINK AGAIN**  
Love you so much Mommie you  
Meant the world to  
Me Your Daughter Aletta
