“ To my dear sweet sister Laura and nieces, Bettye and Lisa, there are absolutely no words that can be said to ease your intimate pain; however, it is my sincere prayer that our God who is perfect and makes absolutely no mistakes will hold you, guard you, keep you and wrap you in His very capable, strong and faithful arms during this very trying and challenging moment in your lives. To Earl, Sharon's covering and earthly soulmate, please know that God is exceedingly able to keep you even in your moments of struggling to understand earth's greatest mystery...why did this have to happen to me moments? My friend, I don't know the answers directly but I can tell you that in due season, we will all understand it better in the by and by. Please know that the family of Audie and Brenda Murphy lift you, Bri and Earl Jr., daily in constant and consistent prayer. We love you and is praying your strength in the Almighty God!

“ Words cannot convey the sadness in my heart. Over the years, Sharon helped us many times to build our credit union business. I especially appreciate her kindness, her professionalism and her willingness to help at every turn – Sharon personified much of what is good about our industry and will be greatly missed by all who knew her.

My thoughts and prayers go out to her family during this time.

“ My deepest sympathies to Sharon's family. She was one of the nicest and most helpful people to have worked at the Michigan Credit Union League. She always had time to help you with whatever you needed, would even stay late if she got a last minute request from the Accounting Department. She was one of the people I have missed very much since my retirement in August 2013. The world needs more people like her.

“ My condolences to Sharon's family and friends. I never had the pleasure of meeting her in person but she was so sweet and willing to help out in any way she could. Every time I spoke with her she never made it seem like I was just a voice on the other end of the line, she was genuine and her kindness radiated out of her.

“ You will truly be missed my friend. You were the best supervisor I have ever had. You had so much compassion and love for your employees. You treated us like people and not just someone doing a job. I appreciated your honesty and your correction when I was wrong. You were very dear to my heart. We watched our kids grow up together and other family members. I will keep Earl and the kids in my prayers. I promise to check on them and be there for them. I love you Sharon. Love Sonya

Wow it's still surreal, Sharon is sorely missed, funny how her presence is still felt yet there is a certain emptiness around this office. It's hard to wrap ones mind around why God chooses who He chooses at certain times but He does, I know He has it all in control He always has a plan. However, it doesn't make it any easier to deal with such a loss. Sharon was a gift to this world and she impacted us all, those that knew her well or for many years or those like me for a short while, she made a difference. I miss the shyness in her smile, her light, her warmth, her genuine concern and her awesome sense of humor. I am praying for the Swift family and all of Sharon's friends. May the peace of God that passes all understanding guard your hearts and minds through Christ Jesus. Rest in Peace dear one, Rest in Peace.
