“ *My sympathy to the family. It is not easy when someone we love dies, the pain and feeling of helplessness can seem unbearable. May you draw close to God in prayer and he will sustain you.-
Psalms 55:22*

“ *Sharon possessed a very kind spirit upon first meeting her; and from that point she always treated me as though I was a long time friend. She always carried a big smile, along with something nice and/or humorous to say that would brighten your day. May God's love and peace surround and comfort the family during this time.*

“ *Sharon has been my friend for as long as I remember, she took me to the Detroit Pistons game when the big fight with the Pacers and we talked about that for a long time, she also took me out one New Years eve when her family couldn't make it, we had so much fun!! I loved talking to her and will miss her always. I loved Sharon.*
