“ *Sharon was one of my dearest friends from ARC. She was my confident and a giver of life. She kept my secrets. She gave every plant or flower I received at work her loving care. I could always count on her to help me on projects to the very end. I loved her.*

“ *Sharon worked for me for several years at the American Red Cross. She was a warm and pleasant person who I enjoyed being around. I remember her talking with love and pride about her children and grandchildren. The time she spent with them meant a lot to her. Sharon will be missed.*

May memories of Sharon and the love of family surround you and give you strength in the days ahead.
