“ *My heart goes out to the Giles family. I pray that God blesses you all with an over abundance of strength. Shaw was such a beautiful person. He and I spoke often about family and how important it is to remain close to your loved ones. I feel as if I know all of you from the many stories that he shared. I will miss his stories, jokes, laugh, smile, encouragement, humbleness, etc. The list goes on. I will always love him:)*

“ *I have many memories of Shawn. He was like a brother to me. Work has never and won't ever been the same since he went out on medical. I am going to miss him dearly and my thoughts are with his son Amari and his entire family.*
