“ *To our family and all loved ones that God has blessed us with:*

*At this time of grief and personal sorrow, words cannot truly express such a deep sense of loss that echoes throughout our family. We can only look to our God for comfort. He states in his word that those who mourn shall be comforted, His angels are all around us and He will use them to comfort His children in their time off need.*

*May The Most High bless and comfort you always*

“ *My condolences go out to you and your family. I know losing a loved one can be difficult, which is why it's so important to lean on the God of all comfort as mentioned at 2Corthians 1:3,4. I hope my words were of some encouragement.*
