“ *Miss She She!! My sweet sweet cousin we grew up together as kids, teens and as adults we partied like there was no tomorrow. Hanging out family was always fun. Your time has come as we all know we will have to travel that same road. Your spirit lives on we LOVE YOU!!!!*

“ *I remember the days & evenings when we would play basketball in the James family backyard. Shiela was just as good as any of us boys!! She was a great athlete and an even better person. Will miss you Shiela Rock.*

“ To my family, the James family. Sheila will be dearly missed. I will reflect on the good times we have had at family picnics, birthday parties, and family reunions. Sheila is no longer suffering, she's at peace. I want my family to know that God has a set time for each and every one of us to be called home. Sheila time is now. I will rejoice for her transition. Heaven is now her home. May God continue to shine his Glory on us all, especially the James family at this time of bereavement.
Love dearly,
Cousin Val
