“ *I just found out today Mrs. Shelly Dozier passed away. I was her Auto and Home insurance person she worked with. Last time I spoke to her she was telling me she was going through some medical issues. When I hadn't heard from her in a while I thought something might have happened. I'm very sad to hear she passed away. She will be missed. She was always so kind and beautiful. RIP Mrs. Dozier! We at State Farm will miss your conversations every time you called :)*

“ Shelley was always a diva from the first time I met her almost 17 years ago. She always had a lot of wisdom to share. What I remember the most about her was the way she talked about her children. No matter what, her love for them was unconditional. I will miss your phone conversations or being able to visit her when I travel to Detroit. God has gained another Angel. My sincere condolences to Kelli, Trey and family. Earth has no sorrow that heaven cannot heal.....
