“ *Thank you Raphael for leaving a message regarding the passing of your Mom, Sheneen. You left this message on my voice mail on 1/20 and I just listened to my messages today. I was so upset to here that she had passed. I wouldn't talk to her often, but she would call me at least once a year. I thought I had missed her services, but I did some searching and found out that the services aren't until Friday and Saturday so I am so glad that I will be there to help celebrate her homegoing services. She will always say that we were sisters because we had the same last name. Sheneen, Tony and I worked at Beacon Heating Plant together. Sheneen was always so full of life. Family know that she is resting in the arms of Jesus. With much love, Bernice*

“ I lost contact with Sheneen but I remember her as an upbeat positive person. I have a photo with her, Helen and I clowning for the camera. This is my fondest memory of Sheneen.

*My condolences to her family.*

“ Sheneen I can count on one hand my best friends and I am proud to say you were one of them. You always listened to everything I had to say and for that I am grateful. I hope I was as good of friend to you as you were to me. Rest in peace. My sympathy goes out to the family.

*1 love, Nate*

“ Sheneen you were without a doubt the coolest, realest, most poker faced card playing person I ever had the pleasure if knowing. I consider it an honor to have been invited so openly into your home and your life. The world truly lost someone special. You have touched a great number of lives and you will be deeply missed.

“ I remember when we use hangout all night long and then go to work and do it again. She would be so MADD at me , because we had to get some rest sometime because we had our family to take care of later. I'm going to Miss her so much. Love and Kisses sister Lisa and family.

“ My sincerest sympathy to the entire family. I worked in the same bldg. with Sheneen and we just hit it off from day one. No matter what kind of day I was having, she brought smiles and sunshine to my day. She will be missed. She is in GOD's hand now... and we now have another Angel watching over us....
