“ *Bobby you're unforgettable, because of the memories from so many decades of the stories you've shared, of Family, Life lessons, Work experience, The Military, and the Word of God with me. You had strong opinions, yet a gift to talk for quite sometime without getting tired as I sometimes do with certain topics. You weren't just my Brother in law, but my Brother as well. May God keep You, and comfort Your Family for the days, and years to come. Love Sister in law / Sister Toni*
