“ *Mrs. Bryant was a truly dedicated educator who passionately influenced her students to reach for more and drive them closer towards the best versions of themselves. She often shared how proud she was of the family she created with her husband and children. I am keeping them in my prayers during this time. -Former UHS student*

“ Sis, I'm really going to miss you. I enjoyed our calls, texts, and visits over the years. I especially enjoyed our trip to the Grace Life Conference in Atlanta last year. I'm grateful we were able to spend that time together. I miss you, and I love you.

Rest in the Lord.
Your sister, Gale

“ *Sherrie came into my life when we both were children, whenever she was in Ruston LA our home was where she and Benetta found themselves until it was time to leave. We played and enjoyed each other but most of all loved one another - “SISTERS” from another mother. She is not far, she is always near in memories that I hold most dear. In the hearts that still care, in the love that goes on, she will never be far. She will never be gone. Until we see each other again, I LOVE YOU, my sister.*
