“ *I had the pleasure of knowing Sis. Sherron for quite some time...to tell you the truth, I really can't remember when we actually met, because it seems like we've known each other forever. She had the most contagious spirit of calm and pleasantness that I've ever seen- you couldn't help but love her. There was nothing she wouldn't do for you, as long as it didn't conflict with her faith walk in serving The Lord. She was also available with encouragement in that area as well. I want to thank her family for allowing me to be able to share in the experience of having her be a part of my life. Also for her guidance, support, reassurance and direction she gave to me whenever I needed it...Love and miss you "Baby Sharon". Praying that I'll see you on the other side with the rest of the saints that are waiting. TO GOD BE THE GLORY!!!*

“ I knew Sherron from working at the Michigan Bell Transfer Bureau in Employment. Sherron was the center of all that was happiness and fun about working there. Although I lost touch with many of my "Employment" friends over the years, every time I thought about them, fond memories of Sherron, with her humorous stories, came to mind. She was a thoughtful, warm and kind person and will be missed on this earth.

*My most sincere condolences to Sherron's family,
Maureen Matta*
