

Ms. Sherry Rena Studvent

March 4, 1963 - March 15, 2019

Her Journey:

Sherry Rena Studvent, also known as Ro-Ro, was born on March 4, 1963 in Detroit, Michigan to the union of Deloris Jones and Edward Jones. She was the third oldest of four children. At an early age, Sherry made the decision to follow Christ and was baptized at Bethel Temple Baptist Church. She later rejoined the church and followed the teachings and leadership of the present pastor.

She was educated in the Detroit Public Schools system and graduated from Cooley High School. Later in life, Sherry began working at a party store in Highland Park. Thereafter, she began working at the Northwest Activity Center. Then she began her new lifelong career at Detroit Public Schools system. Her students, parents, and colleagues loved and admired Sherry. She was recognized for her warm encouragement and for impressing upon every student the importance of acquiring knowledge. As an associate teacher, she realized that her posture in life was not in the job but a higher calling by God. Her passion for the world of knowledge left many young minds with a richer, brighter, and realization of pursuing their dreams.

Sherry was the beloved wife of Craig Studvent for 28 years (departed ways but still remained the best of friends) and from this union bore two children, Edward Delano and Angel Deloris Barbra, who respected and loved her

dedication as a mother to them. Sherry always loved her family and to be around them She was always the life of the party!

After a courageous battle and many challenges, Sherry was faced with the spirit, determination, and deep gratitude for the loved one who prayed for and supported her. Her faith in God sustained her. On Friday, March 15, 2019 at 8:00 A.M., the Lord called Sherry and she made her transition quietly and peacefully to be with Him from her home in Detroit and with her family by her side.

“ *♥ My sincere sympathy goes out to her family and all who loved Sherry. She was truly a special person. Ms. Studvant was a vivacious, warm, caring, fun, loving woman. She always wanted to make someone else happy and comfortable in any situation. Crack jokes and kept it real. Loved her dance moves 🕺. I only knew Sherry a short time, but I felt I've known her forever, that's my lasting impression I will cherish.
