“ Sherry was such a shining light in so many people's life, I will never forget that contagious smile that lighten up the room and makes you smile as well. Sherry brought joy to me and my family whenever we were around. There are no words to express how sorry we are. Robert please know that you and the family are in our thoughts and prayers. I know that you are a man of faith, I pray that the Good Lord keep you and the family during this difficult time. If you ever feel like talking day or night please don't hesitate to call me. Your brother in Christ Jesus.

“ Sherry was one of the sweetest ladies I've ever met. She started out being a client (hair salon) but she became family. She has prayed and cried and counseled with me too many times to mention. Even when she was going through her own battles she always took the time to make sure everyone else was ok. I loved her like family and she will truly be missed.
