“ *Grandma,
I know that you're resting and free of pain; however I just cannot stop missing you. You were truly an angel on earth that we all needed. Maybe not everyone deserved you but you loved us anyhow. I'm grateful for all the memories, love, laughter, and political debates we shared. You were a gift from God and I thank him for allowing you to be apart of my life. Your legacy will live on through us all.*

*Love always,
Your honey boo-boo*

“ I am so sorry for the loss of your loved one. I have known her since I was 13 and I never heard her raise her voice. She always welcomed me into her home. Demetrice and I would always go over whenever we had a tennis game at Central High School to watch Dark Shadows and she never questioned what we were doing there. I am sending you my love and putting my arms around all of you. Love you all, Mary

“ *“..To be absent from the body is to be present with the Lord..” pain and suffering is here on earth. As sad, hurt and as broken as we feel, we’re choosing to celebrate you, your life, your lessons. You were a blessing that we didn’t deserve.*
