“ I would like to extend my condolences to the family of Shirley Cuyler. I refer to her as granny, because she was like a second grandmother to me. She would always tell me, "Baby make sure you keep that hat on your head and that scarf tied around your neck, because it's cold out there." She was caring like that. Believe it or not Mrs. Shirley was a comedian, so funny who loves to tell jokes. I would laugh so hard that my side would ache sitting on the porch enjoying the sunshine during the warm summer days. One memory I would like to share is when I changed my hair color and granny told me straight and to the point, she said I don't like that color on you. I asked granny you don't like this color? She said NO! All I could do is laugh, that is what I admired most about her, true honesty. Granny, you will truly be missed. Your beautiful smile and the way you would light up when you heard your favorite blue's song. I can still see you bopping to it.
Love Always Dee!
