“ *To the family of Shirley's  
As we come together to honor the beautiful spirit of Shirley, I want you to know how deeply she touches my life. Her kindness and general nature were like a warm embrace, always there when I needed support. No matter the time of day her unwavering presence brought comfort and strength. Shirley had an extraordinary ability to make everyone feel cherished, reminding us all of the power of love and compassion. In moments of doubt or despair, just knowing she was there made everything brighter though her physical presence. Though her physical presence may no longer be with us her spirit lives on in our hearts. Let us carry forward her legacy by embody and embodying the same kindness she showed everyday. With love and remembrance,
