

Mrs. Shirley Ann Maddox

November 14, 1941 - October 27, 2015

In Loving Memory Of Shirley Ann Maddox:

Shirley Ann Jackson was born to the late Eddie and Pearlie Mae Jackson, both of whom preceded her in death, as well as her three brothers, Eddie, Lucian and Anthony. Shirley attended Detroit Public Schools and graduated from Northern High School in 1959. Shirley accepted Christ at an early age and became a member of New Liberty Baptist Church. She met and married Richard Maddox, who preceded her in death, from this union five sons were born.

Shirley loved to cook. She also loved to play sports and enjoyed playing sports with her children when they were younger. She had a very generous heart, loved people and would do anything she could to help a person in need.

Shirley loved her children and her grandchildren and she taught them all to be respectful of others. She enjoyed spending time with her family.

On Tuesday, October 27, at 1:00 A.M., a very special light went out. God plucked another one of his precious roses from this earthly garden, leaving behind a void that can never be filled. At the age of 73, Shirley went home to be with our Almighty Father.

Today is not a day to dwell in sadness, but rather a time to reflect on the joy

she brought to each of our lives, the smiles she left in our hearts and the memorable moments we will never, never forget. She no longer feels any pain, she now feels the joy of being reunited with her earthly mother and father along with her brothers. Above all, she now gets to see God face to face and witness first hand His undying love. Who among us can be sad about that? Absent from the body is to be present with the Lord. So look up, smile and take comfort in knowing she now rests in God's loving arms.

“ Aunt Shirley introduced me to the finest elements of being a growing young lady with grace and style! She also taught me to be prayerful, forgiving and loving. I will never forget the fine dining she introduced me to and I never heard her speak about anyone in a negative manner. Aunt Shirley taught me to always pay it forward. I thank God for her playing a big part in my life! I will miss her!
