“ *Shirley Jo McQueen was the Mother that helped me so much from a teen-age mom with her 3 grandkids, to a prosperous woman. She was always there for me and my children, providing me with guidance and support. We shared so much even after I was no longer with her son, that spanned almost 50 years. My love for Shirley is immeasurable, and she will always be with me. I love you Shirley Jo McQueen.*

“ To Our Beloved “Gram”

*You were a wife, a mother, a grandma too, this is the legacy we have from you. You taught us love and how to fight, you gave us strength, you gave us might. A stronger person would be hard to find, and in your heart, you were always kind. You fought for us all in one way or another, Not just as a wife not just as a mother. For all of us you gave your best, Now the time has come for you to rest. So go in peace, you've earned your sleep, your love in our hearts, we'll eternally keep-*

*May you always walk in sunshine and God's around you flow, for the happiness you gave us, no one will ever know. It broke our hearts to lose you, but you did not go alone, a part of us went with you, the day God called you home. A million times we needed you, a million times we've cried, If love could only have saved you, you never would have died-*

*We little knew that morning that God was going to call your name. Please know that In life we loved you dearly, in death we do the same. It broke our hearts to lose you, you did not go alone; for part of us went with you the day God called you home. You left us peaceful memories, your love is still our guide, and though we cannot see you, you are always by our side. Our family chain is broken and nothing seems the same, but as God calls us one by one, the chain will link again we know-*

*You taught us valuable lessons in this journey we've called life and how Gardens Grow, so this we know humbly now, God looked around His Garden and found an empty place. He then looked down upon the earth And saw your tired beautiful face. He put His arms around you and lifted you to rest. God's garden must be beautiful now, He always takes the best. He saw the road was getting rough and the hills were hard to climb, So He closed your weary eyelids, and whispered "Peace be thine." It broke our hearts to lose you, But you didn't go alone, for part of us went with you The Day God called you home, but we ask in Christ name for Our Dearest “Gram” The*

*Lord be with you and may you rest in peace, you've earned those Angel Wings Beautiful! You'll Forever be in our Hearts!*

*GOD help us get through this chapter and season with your Mercy on us all & Our Faith knowing "Gram" is resting so deservedly in peace with you, and you who Watches over us all from our Sunrise- to Our Sunset- for Eternity!*
