“ *Sheri introduced me to Ms Shirley, after I began going to bible study at her church, Central CME. Once we met, I immediately wanted to call her "ma" and she graciously allowed me to. Because she was the kind of woman that "softly commanded" respect, I always referred to her as Ms Ma :) ... She would put me in check, like any mother would, when I would trip up, but she always found a way to check up on me & my well being too. She showed me nothing but love and compassion in the short amount of time that I knew her and I will truly miss her with all of my heart..rest well in the presence of our Lord Ms Ma...love you lady.*
