I really wanted you to know that I appreciate you and will always remember how you always called me to check to see how I was doing. R.I.P.....Love Ann*

“ *Dear Sil-Faye (Mama),*

*From a child, I've always loved your tough love and your sense of humor. There were times I'd come to see Tanya and before you know it, I'm in the living room scratching your scalp ❤️ I appreciate all the things you taught me. I appreciate being able to ask you anything and getting an honest answer. The world definitely looks different without you*
