“ Sonia...my dear friend/coworker. I am in disbelief this morning as I received news of your transition. May God wrap his loving arms around your children (Bumpy/Nikki) and your entire family. I will always remember our last lunch with you and fellow co-workers at BASF. I will miss you and cherish your smile and laugh forever. Take your rest my friend. Love/Blessings Lynda Cooper Harvey

“ Sonia was so much fun at work. My favorite picture at work is the two of us chasing a fellow coworker down the hall. He was running so fast from us that the picture shows him airborne in mid-stride. We were both laughing so hard and you can see both of our profiles as we're doing the dirty deed. It was a moment in time that brings back so many laughs and a good memory that I will cherish.
