“ My condolences to Sonja’s family. Sonja was a special friend to me. We met in 1999 on a detail and have been friends every since. I’m still shocked. We’ve laughed over the phone cracking up so many nights. She will be missed truly. She asked me to make her an a black throw blanket. Even thought it took a minute, I made it. Aaron I felt like I known you for a while. She spoke of you all the time. I appreciate you much for contacting me. As Sonja always called me her country friend as I’m from Georgia. Peaches of luv to ya always

“ Sonja's transitioning was a shock! She was a dear friend of mines inside and outside the IRS on which we both were hired the same day 32 years ago. Because the IRS hired us together, we had always planned to leave the IRS together. But, of course, GOD has his own plans. Sonja will be deeply missed.

“ *Sonja will be greatly missed. As a young girl Sonja made a great impression on me with her work ethics, being a college graduate and how she kept her beautiful long hair my heart goes out to the family. Love Mary Rice & family.*
