“ *Spencer was a childhood friend of our family and close personal friend of my brother, Carter Williams. So may memories of a good man.*

Dorothy Williams Brooks - July 16, 2020 at 10:21 AM

“ *To the Felix family....I worked with Spencer for many years at D-DOT. I enjoyed the friendship we shared. He was always ready with a kind word, and of course he could be quite "frank" when the situation called for it. He was a very cool supervisor and never really looked to make problems for anyone. I am truly sorry for your loss. I know GOD will eventually heal your hearts.

“ *Sean and I knew little that morning that God was going to call your name. In life we loved you dearly, in death we will do the same. It broke our hearts to lose you, you did not go alone; for part of us went with you, the day God called you home. you left us peaceful memories, your love is still our guide; and though we cannot see you, you are always at our side. Our family chain is broken, and nothing seems the same; but as God calls us one by one, the chain will link again. Love and miss you much Onikika (Kika) Hines*

“Dad I'm at a loss for words. You were my rock. I'm going to miss our talks. From cars to Masonry, Shrindom to life in general you taught me so much. My life will not be the same without you. I'm going to miss you. I love you Dad!
