“ *While my words are inadequate, please know that I sympathize with you, the family of Stan. He was a good neighbor, a good friend and a good family man. He was an example to follow. I will forever be grateful to him and his family for the help given to my aunt, Annie Betts. They helped by coming late at night to get her up from the floor and to bed after she had fallen. I will miss those conversations that I strained to hear--as he was soft spoken and I am almost deaf--when he shared his history and wisdom while we were talking on our porches. May God Bless his family to enjoy the many good memories.*
