“ Nana....

I miss you so much, but I know your safer and happy....just continue to be with me....it's so hard without you...but ima try to make it because you'd want me to...your smile was everything but your personality and confidence was UNMATCHED...

I'm still in a shock that you're gone but baby I'll see you again and I love you....

“ On behalf of my family to yours , it is with great sorrow and the deepest sympathy that we let you know in this difficult moment that our hearts , prayers and condolences goes out to you and all your loved ones that is left behind to remember all the beautiful memories that you possess for your precious baby girl . There will never be a rhyme or reason for loosing a child but just know that you completed your mission and it was time for God to take over and call his child home to his kingdom where only the precious ones are allowed . My hand is here to hold , my arms are here to hug , my fist is here to dap . Do not be ashamed to cry for your tears will never go unaccounted for . If it's anything you may need , as your friend, I am here . Stay strong and stay with God . With Warm Regards.. Brandon Parker and Family 🙏
