“ *Aunt Stella was an amazing aunt her guidance and encouraging words would always give you a laugh or smile. Her smile lit up the room and to hear her laugh warmed your heart. She meant so much to so many, I am sure she never met a stranger. My heartaches for my cousins, uncle and aunts, and a host of family and friends. May God give us all strength in the coming days, as her loss is not easy for anyone.*

You were such sincerely sweet person. We had great times chatting about everything under the sun! Your light will continue to shine in God's majestic perfect kingdom without doubt! We love you and congratulate you on gaining your wings. May your previously departed loved ones welcome & embrace you. Love you forever!*
