Forever in my heart always in my thoughts. I keep hearing our last conversation over and over but still didn't think it was goodbye. I've finally come to some form of reason and managed to post something I'll miss our talks and music listening sets. I know I'll never find another that can line this crooked hairline. Love you, miss you Georgie the only person that could call me that lol.

“ *Stephanie was my barber for over 15 years. She was a great mother who loved and cherished her son. I loved being around her because she was funny, informative and very knowledgeable about the community. She was way too young to leave this world. I am going to miss her.*

“ Childhood memories are cherished because Stephanie Florence was in my life. From childhood to womanhood I have had more laughter, secrets, and a few tears together. So glad for our friendship. May God be with her family. May you hold the good memories of Stephanie within your heart. Love you Stephanie.
