“ Hey Unk, I just wanted you to know that I will always remember all the memories we shared. This don't seem real, but someday I hope to see you in heaven. I know you are back with your nephew, Dean, your brother Lance, and that makes my heart warm. One thing for sure, and two things for certain you never have stepped when it came to me and for that alone, you were always hold a special place in my heart. Rest easy Unk you will be missed tremendously.
