“ *Strauberi. Hey there old friend. I can't believe that you are not here. I'll always cherish the memories of you!!!*

Duane Clark - September 20, 2019 at 04:18 AM

“ *My prayers go out to Strauberi's family and friends. As long as I can remember she was always such a sweet person to be around. I met Strauberi in middle school, and I remember coming over to her house to hangout. She was a beautiful person and she will definitely be missed by many. I'm praying that God gives her family and friends peace through this very difficult time. R.I.P Strauberi*

“ To Sis. Betty Burrell and Family:

We were saddened to learn of the passing of your dear granddaughter, Ms. Strauberi LaFaye Williams. There are no words that can fully express the depth of what you and your family are experiencing in this hour. However, there are words that can remind you of how much God loves and cares for you. He will never leave you, nor forsake you. Even in difficult times like this He is there.

Our prayer is that God will comfort you by the power of the Holy Ghost, who is your Comforter and Teacher. We know that God is the God of all comfort. One of the ways He comforts us is by giving us each other. We want you to know the God put you on our minds. Please know that we will continue to hold you and your family in our prayers today and in the days to come. You have brothers and sisters at New St. Paul Tabernacle Church Of God In Christ who love and care for you.

While we cannot be with you today, please take comfort in knowing that you are in our thoughts and prayers. May God grant you the grace to cherish the memories of your dear loved one. If there is any way we can be of support to you, please do not hesitate to reach out.

*Sincerely,
Evg. Alfreida D. Wynne

“ To be absent from the body is to be present with the Lord. Strauberi is now in the present of our heavenly Father and at peace. My deepest condolences to the family. May your hearts find peace and comfort.

“ My condolences to the family and friends of the Williams family. I wish that there were words I could express to make things easier. I am saddened by the loss but I know that through prayer, support, memories and the unconditional love that's undoubtedly always been showered on Strauberri, things will get easier in time. Strauberri has always been loved by many and she's given us all such great memories that will NEVER be forgotten. I will always remember Strauberri and cherish the childhood friend/neighbor/playmate I had in her.

With my deepest sympathy-

“We can't know why the lily has so brief a time to bloom in the warmth of sunlight's kiss upon its face before it folds into its fragrance and bids the world good night to rest its beauty in a gentler place. But we can know that nothing that is loved is ever lost and no one who has touched a heart can really pass away because some beauty lingers on in each memory of which they've been a part.” - Know that I walk with you through this journey.
