“ *Sad that I couldn't make it to see her home but this woman has left an everlasting touch on my heart! I had the honor of assisting her while I was working at Cambridge, she was my favorite!!!! We would polish our nails, she taught me how to roll my hair with brown paper bag, and she also made my son a blanket that he still has to this day. I will forever cherish the memories thy I have of her. She was truly one in a million!!!!*
