“ *Gail, I am so thankful to God, that He shared you with me, I truly miss you. I am at a lost for words right now, but have tons of memories. You would be so proud of Juntai. She is doing a great job at seeing that things are being done for you, while also taking care of her family.*

Tomorrow we celebrate your life in a big way. May you rest in peace up in heaven with your Lord.. I know you love your new home in the sky. You are no longer in pain no sickness of any kind. Tell everyone we said hi down here and we will meet you up there when it is our time to go.

I love and miss you and am so blessed to have known you. I know you will be looking out for me from up in heaven.

*Love always,
Donna*
