“ *Nanny,  
Wishing you peace to bring comfort, courage to face the days ahead and loving memories to FOREVER hold in your heart. I'm praying for strength for you and the family during this difficult time. At times like this we must remember God's promises...Proverbs 3:5-6. Love you!!!*

“ We are going to miss your smiling face, your happy heart . We all grew up in the same neighborhood as childhood friends, went to school together, played together and were neighbors through out the years. Your family and our family were as one and it was a blessing to see all our families grow. You will be in our hearts until we meet again. Only now you are our guardian angel.
