“ My prayers are with you Lester, Diane, and Barry her wonderful children. I too will miss her. One of my fondest memories of her was that she would be my all night get away many times. We would sit up laughing and talking about things in the family. She would be drinking her coffee (cold) lol and me my beer. We'd be at the kitchen table until the birds started calling our names. She had so much love and kindness to share especially for her children and all her grandchildren and their children. Her family and friends adored her. Her wit was contagious. Aunt Syl, your memory and love will forever be in my heart. Your niece, Cherie
