“ My most sincere condolences to the family and friends of Ms. Sylvia Ford. I first met Sylvia in 1979 at MBT in the Linwood garage. We had a good relationship where she kept me honest and on the "straight and narrow". She always (well, almost always) had kind words for everyone and was happy to help others in need. Sylvia and I also worked together in Dearborn some years later where her personality always lit up the room. I hold the memories of her dearly.
