

Mrs. Syvira Lee Eaton

May 5, 1931 - January 21, 2019

Her Story:

Syvira L. Eaton was born May 5, 1931 to the union of Charlie and Minnie Swanson (who preceded her in death). She was the middle of 10 siblings which included eight sisters and two brothers. Syvira was educated and graduated from McCrory High School in McCrory, Arkansas.

Syvira moved to Memphis, Tennessee and then to Detroit Michigan in the early 1950s which she made her home and raised her family. During this time. She obtained employment at White Towers Industries for many years and provided excellent service until her retirement.

In 1961, Syvira married the love of her life, Jordan Eaton. Their matrimony of 48 years knew no ends until Jordan's demise in November of 2009. During this union, they gave birth to four sons which were her pride and joy (Tony, Kevin, Olivier and Anthony).

Syvira Eaton gave her time as a devoted follower of her faith. She was an active member of New Creation Christian Center, where she served her church family with dignity and commitment. Knowing her faith and belief in God was the foundation in her household and was instrumental in the nurturing of her children.

Syvira Eaton affectionately named “Mother Eaton” was a staple in her community. She was a mother to every child in the neighborhood and could be counted on to provide a hot meal to those in need. Everyone knew that she had a strong sense of caring for the children and friends alike in her neighborhood.

Syvira Eaton lived the American dream as she became a business owner of S & E Party Store. She carried items in the store such as hand packed ice cream, penny candy and penny cookies; which drew individuals from near and far to business which resulted in everlasting friendships. Along with being an entrepreneur, Mrs. Eaton had a love for plants and cooking her dynamite sweet potato pie and fried chicken.

On Monday, January 21, 2019, Syvira Eaton answered the call of thy Lord and transitioned from a state of mortality to immortality

Their Love Leaves an Indelible Imprint By Leo Buscaglia

“I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint

in our memories. We find comfort in knowing that our lives have been enriched

by having shared their love.”
