“ Tammy was part of our Rad Onc coding team at Henry Ford and was loved by everyone who knew her. She was the sweetest person and such a hard worker! Even when things were tough, she was always pleasant and gracious. We will all miss you so much but we know that Heaven gained the most special angel.

“ *There are no words that can describe how I felt when I heard you had gotten your ticket, and you were bound for MT. Zion🙏🙏🙏 I know if anybody made it surely you did. Your presence Tammy would light up a room your spirit was so bright and pure. An Angel here on Earth now an Angel in Heaven. Your Smile was so sweet. Rest in Peace Tam 🙏
